NEWS RELEASE

November 28, 2011

Bluffton Christmas Parade Schedule Change

In an effort to allow parade participants and spectators ample travel time to Clemson to cheer on the Bluffton High School Bobcats as they play for the football state championship, the Town of Bluffton has moved the start time of the annual Christmas Parade.

The Christmas Parade will now start **at 10:00 am on Saturday, December 3, 2011.**

Please note that this is **one hour earlier** than normal. All participants should alter their plans to accommodate the time change. Late arrivals will not be able to participate.

The parade route will remain the same and all participants are asked to be at the start of the parade an hour earlier than planned. The start of the parade will begin at the intersection of Bridge Street and Pritchard Street. The parade will last approximately two hours and should end around 12:00 p.m. The road closures will take effect at 9:00 a.m.

Participants may call **706-4500** to get details regarding their assigned gathering spot to start the parade.
